STUDENT LIFE

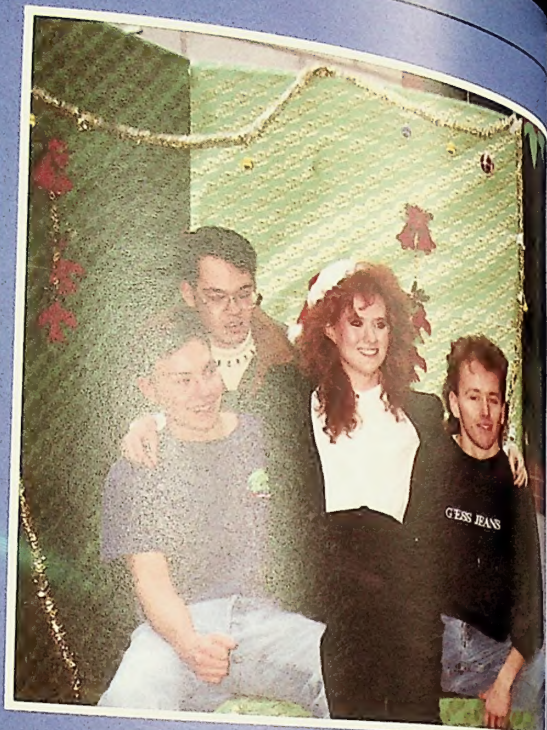

At J. PERCY PAGE C.H.S., Student Life involves many activities. These activities include the Halloween contests, Christmas, and Valentine's Day. At Christmas the school had Geoff Smith of the Edmonton Oilers help raise money for the Children's Hospital. On Valentine's Day there was the "Dating Game" for both teachers and students. Students participated in The World Visions, "Thirty Hour Famine". These activities and the LITTLE THINGS that happen around school everyday is our STUDENT LIFE.

PRINCIPAL'S MESSAGE

What a terrific year we have had at Page! The successes and triumphs we have had will make 1990-91 a memorable school year. For the first time in our school's history we reached capacity, and were unable to accommodate all students who desired to come to our school. This size gives us the flexibility in offering a varied and exciting program, and enables us to meet the educational needs of many students. On May 1st a "country fair" was held as a celebration of the formalization of the partnership between J. Percy Page and Stuart Olson Construction. At a morning building bee Stuart Olson Construction employees and J. Percy Page students built a storage facility that will stand as a constant reminder of the combined strength of the two organizations. We look forward to many years of a mutually beneficial relationship with Stuart Olson. The Panthers have had a good year, particularly in basketball. Three teams went to the City Conference championships resulting in one city title. Our swim team and curling teams also won city championships. Well done Panthers!

Our debating team performed exceptionally well in their inaugural year. Our students placed first in the city in the beginner's class. A fantastic start for a fantastic group of Page students. Special events often "make a year". The junior high volleyball and basketball invitational tournaments, visit by Dream Warriors, Grease, Cherry Orchard, one-acts, International Festival of Light, Jeff Gibbs, Heroes, Career Days, Open house, Awards Night, Grad banquet and dance, Spring Break-Away, fashion show, school teams, and a host of student council activities and dances have added to the variety and excitement of school life.

Thanks to each and every one of you for a wonderful year. The best of luck to all who are leaving Page this year, and a warm welcome to all the students new at Page. Have a great holiday and I look forward to seeing all of you who return in the fall!
Bill Lepatski Principal

SUNWAPTA HOUSEMASTER'S MESSAGE

As I sit down to write my yearbook message I reflect on the past year and the many events that have filled our days at Page. This past year has been typical in many ways. Students, staff and parents have worked hard to 'Make a Difference,' not only in our school and city, but also in the world. As teachers and parents we encouraged students to take responsibility for themselves, building on successes and learning from failures. This year, however, two events have made me realize how important the people around us are. A support staff strike and war in the Middle East were stressful for many. These two conflicts in many ways drew us all closer together. They made us appreciate the dependence we have on one another and the quality of life we have here. As the school year comes to a close I encourage students to look back and think about those who have had an impact on their lives. I want to address all of you, whether you are returning to Page or moving on. There are many who have helped you become the person you are today. There will be new friends, teachers, supporters in your life. I hope that when you look back at Page you will know there were many special people trying to help 'You Make the Difference.' I know when I look back on this year and think of students and staff at Page I will feel fortunate to have known you. Continue to take responsibility for yourself and work together to make our world a better place. Kevin Stevenson Housemaster Sunwapta House

CASCADE HOUSEMASTER'S MESSAGE

Every year in the month of May an interesting phenomenon takes place at J. Percy Page and specifically, in my case, in Cascade House. Students who have graduated from our school over the past five years suddenly appear in our office area. They are a bit older, they dress a little differently, sometimes they are taller, they have new hair styles, but most of all there is an aura of newfound maturity about them. We smile, we greet each other and flashes of memory remind me of the characteristics and unique attributes that make each student memorable. It is a gratifying experience for me to hear about the college and university courses completed and/or the successes in the workplace. It is when these students begin to reminisce about their time at Page that I begin to feel the best. They talk about the good times and how in retrospect they feel that the philosophy and structure of Page did succeed in its attempt to recognize their individuality and personal worth. They speak about the staff members who went out of their way to assist them, to lend an ear to their concerns and to care when it mattered. At this point it is appropriate also to confess that Mrs. Taylor and I do miss the opportunity to verbally abuse many of you and are saving up for your next appearance. So, I guess what I am saying is "Grads, when you have a little time in the future, drop in and 'make our day.'" '91 has been another great year at Page and I thank all the students and staff in Cascade House for making it so! Glenn Norby

WAPITI HOUSEMASTER'S MESSAGE

Each year we have many alumni coming back to say hello and re-establish the bonds with J. Percy Page C.H.S. Our school has made a significant difference in many lives because our strength is people. It is an honour to be part of the J. Percy Page "family" as we continue to build an atmosphere that is challenging and secure. This year has had many special moments. Special thanks to students and staff for your active participation in our House events. You have helped generate a spirit of cooperation and fun while pursuing academic achievements and supporting community and world needs. I have especially enjoyed working with our cheerleaders and travelling with our band and choral students and parents. Congratulations to all of you who have worked hard to meet your goals. It is sad to say goodbye to our graduates, I wish you success and happiness. Use the talents you possess. The important thing is not so much where we stand as in what direction we are moving. G RADUATION

VALEDICTORIAN

MELISSA LOEHR

Honoured guests, parents, friends, staff and fellow graduands.

About thirteen years ago, in 1978, one hundred sixty people here tonight began a journey. The purpose of this journey was to introduce them to the outside world, to pave the road to an adventure of self-discovery and individual development. Tonight is their high school graduation - the end of an unforgettable expedition, and the beginning of a new horizon.

Graduation is an incredible achievement, one which has taken a great deal of dedication and hard work. However, we must not overlook the roles our parents, teacher and friends have played in helping us make it this far. They have been at our sides, aiding us in making the right decisions and standing by us no matter what choices we made. We have relied on them for stability and support. Tonight we must recognize their efforts and thank them for their tremendous commitment.

Over the years, we graduands have seen a great deal of changes, both in ourselves as well as in the people surrounding us. We have acquired a vast amount of knowledge and skill, and we have experienced incredible growth. We have made mistakes, yet we have also learned from them. Without knowing it, we have grown into mature young adults, anxious to leave high school behind and discover what the world has to offer us. Our intellectual and emotional development has prepared us to take the first steps in pursuing the diverse challenges we will face in life. Most importantly, high school has allowed us to discover ourselves. We have identified our individuality, and this will enable us to become independent enough to achieve our goals.

The challenges facing our graduating class are limitless. Our high school diplomas are only the first step in pursuing our dreams. Because the world today holds so many opportunities, we have the chance to explore any walk of life we desire. We have the ability to make our dreams reality, and as long as we possess the desire to succeed, we can accomplish anything. We must be optimistic about the future. The world may exhibit a number of problems at present, but we hold the solutions in the palms of our hands. The challenges we will be faced with in the future will never be impossible to meet. If we can find the motivation and determination we need to reach the standards we set for ourselves, then nothing can hold us back. The realization that our opportunities are endless must serve as an inspiration to us all.

Tonight is a time of celebration. Receiving our diplomas will mark the beginning of a new chapter in our lives. All that we have learned in the past three years is only the first link of the chain leading to a greater knowledge. The completion of high school is not the end of our education; our learning will continue throughout every new day we experience. Although we will spend this evening reflecting on our past achievements, we must not hesitate to step into the world outside of high school. The future is ours to mold and shape, and through graduation, we have built a strong foundation for that future. Each and every graduand here tonight deserves the warmest congratulations. Be proud to be a member of the J. Percy Page graduating class of 1991.

HISTORIANS

TEENA THOMAS & MARJORIE ESPIRITU

M: Good evening honoured guests, parents, friends, staff and fellow graduands.
T: Our senior year at Page has brought us many fond memories. Some of which we would like to present to you in the form of a skit. Come with us now into the future as we participate in a much later university graduation.

M: I'm so excited! How does my hair look, is my cap crooked, do I have anything stuck between my teeth? I've been waiting for 6 years; I'm finally here.

T: Get a grip chick... (aside) What an airhead!

M: The last time I was this nervous, was at my high school grad; but this, this is BIG TIME!

T: Yah? What high school did you go to (sarcastically)... Trinity?

M: J. Percy Page, you know, the one that everyone said looked like a mall.

T: No, no, there's got to be a mistake. You went to Page?

M: Yah, yah... "I made the difference."

T: Ptp!

M: Teena?

T: Marj? I didn't even recognize you, you've grown!

M: Yah, so have you.

T: I didn't know you came here. Heh, do you remember Mr. Poulin? He was in one of my classes.

M: You're kidding!

T: Really! I guess after we graduated he didn't want to teach anymore, so he went back to university. Don't look now, but there he is.

M: Whoa... he's changed!

T: I remember in grade 10 when I first saw him...

M&T: (sigh)

T: There was definitely some chemistry happening.

M: Speaking of chemistry, do you remember...um...um...the blonde english teacher, no he was semi-bald and made fun of blondes.

T: MacEachern? What does he have to do with chem.?

M: Well he told us the formula for the caramilk secret. You know, how do they get the caramilk in the caramilk bar?

T: That man spent a whole class trying to convince us that they froze the caramel in to the bar.

M: Didn't they?

T: (Rolls her eyes) Shhh! They're playing the anthem.

M&T: "O Canada, our home and native land. True..." our school band was way better than these guys.

T: But you know, one of my fondest memories was sitting in the pit. I wonder if they've changed the carpets in that lace yet. We must've worn them out, all the times we sat there during our "homemade spares".

M: yeah, I learned lots in high school, Physics that we'd never use in real life. Social that we would obviously forget and particularly English, which taught us proper grammar, format and punctuation to write an A+ forged note.

T: No kidding, did they actually think we went to the doctor and the dentist 365 days a year?

M&T: Dohy!

T: Or what about those lame excuses for our absences? Anything from getting the dog's fur clipped to "my car wouldn't start".

M: Which was odd, especially if you didn't even have a car!

T: Have a car! We didn't even have our licence!

M: Yah, but that didn't stop us! Who ever thought that we'd be able to fit 10 people in the car, 3 in the trunk, just to go to the Golden Arches.

T: How long is this ceremony going to take? (Yawn)

M: That's what I like - a little enthusiasm.

M&T: Rusty...no, no, Pysyk!

T: Yah, we had some pretty funny teachers.

...

M: I'll never forget Mr. Skitch's math jokes.
T: Oh, yah, some of them were pretty bad... there's this one in particular... do you know which one I'm talking about?

M: You mean the one about... (whisper)

T: Hey, this ceremony is kind of stuffy, I think we need to break the ice, lets tell these guys.

M&T: Yah, yah, ok. (both turn and ask neighbours as well as audience)

M&T: Why did the mathematician plant a tree in a square pot? Because he wanted square roots.

T: You know, I never thought I would say this, but I sort of miss high school, it seemed so much easier back then.

M: Yah, for those of us who who knew how to swim.

T: Say what?

M: You know... (swimming action)

T: What are you doing? She minored in Phys. Ed.

M: Don't you get it? The flood, the flood, the flood.

T: Ohhhh! during the S.S. strike.

M: We asked for a football team not an indoor pool. (pause)

M: Hey, they're starting to call our names!

T: I'm so excited! How does my hair look, is my cap crooked, do I have anything stuck between my teeth? I've been waiting for 6 years; I'm finally here.

M: Get a grip chick, ... (aside) what an airhead!

T: Seriously though, Page has given us fond memories that will always be cherished. I think the most unique attribute of our school which separates it from other schools is its warm family atmosphere, one in which there were few cliques, but rather a mosaic of cultures and backgrounds. M: Our teachers deserve our utmost respect and gratitude for their dedication and commitment to prepare us for the real world. They have not only given us an abundance of knowledge, but the inspiration to apply it. Thank you teachers; through the process of educating us you have become our role models and our confidants.

T: Throughout high school we often have taken our families for granted. The excitement of youth has been known to overshadow the consistent love and guidance from our parents. Thank you to our families for pushing us forward and encouraging us to achieve all our dreams.

T: And finally, remember friends...

M: They are those who made us laugh when times were tough... always willing to listen.

T: They are those who did not expect us to change, accepting us as we are.

M: They are those who stuck beside us committed to true friendship.

T: So as we walk forward, ready to challenge the world, remember Page, the teachers, our family, and especially remember...

MAKE NEW FRIENDS, BUT TREASURE THE OLD
FOR NEW ONES ARE SILVER, AND OLD ONES ARE GOLD

VOLLEYBALL

SENIOR MENS

Back Row (l to r) Coach Mike Purdy, Tony Bain, James Dickerson, Kris Schroder, Tom Shaw, Brad Hnatiuk
Front Row: (l to r) Raj Masih, Doug Bluett, Michael Lehman
Missing: Coach DeGrande

The Senior Men's Volleyball Team enjoyed a relatively successful year. We competed in several tournaments at Red Deer, Barrhead and Jasper Place. In league play, we were very competitive with most teams. With high expectations, we entered the City Conference playoffs but lost in the first round. The team, composed of all rookie players, had a fun, productive, but all too short, season. The team will return as a seasoned group of veterans. In addition, we will be losing a great asset in Mike Purdy. Mike, who was co-coach this year, will be pursuing a career in law enforcement. Although we will all miss Mike, many of the players are looking forward to a major tournament in Winnipeg in September '91. D. DeGrande Senior Mens' Volleyball Coach.

JUNIOR BOYS

The Junior Boys volleyball team had a very good season. The team was made up of all grade ten players with the exception of one returning grade eleven from the 1989 season. As a group, the team showed some outstanding improvement, particularly in the areas of defense and blocking. Although not a big team, the Junior Boys showed moments of attacking brilliance.

Unfortunately, the team lost in the second round of the play offs to a strong team from Eastglen. Several of the players from Mr. Jensen's junior team will be moving up to play senior volleyball next year on a team that promises to be quite strong.

Back row: (l to r) Cathy McCoy (Mgr.), Trevor Poapst, Chris Douglas, Darcy Robbins, Don Charlton, Gordon Ward, Geoff Molyneux, Mike Mychalshyn, Dean Carter, Carolyn Holowach (Mgr.), Cal Jensen (Coach)
Front Row: (l to r) Vu Dao, Terry Baker, Dac Lu
Missing: Les Walter

SENIOR WOMEN

The Senior Women had an outstanding year; Winning the Barrhead Tournament, and finishing in the top four in the Salisbury & Red Deer Tournaments. The season ended in the Premier Semi-Finals placing the team 3rd in the city.

Back Row: (l to r) Coach Bernice Schubert, Tammie Beson, Jill MacMillan, Samantha Alexander, Jodi Tomchysyn, Gaylene Bobb
Front Row: (l to r) Margaret Cook, Tracy Lehman, Shelly Fayant, Sherri Hutchinson, Lena Ly

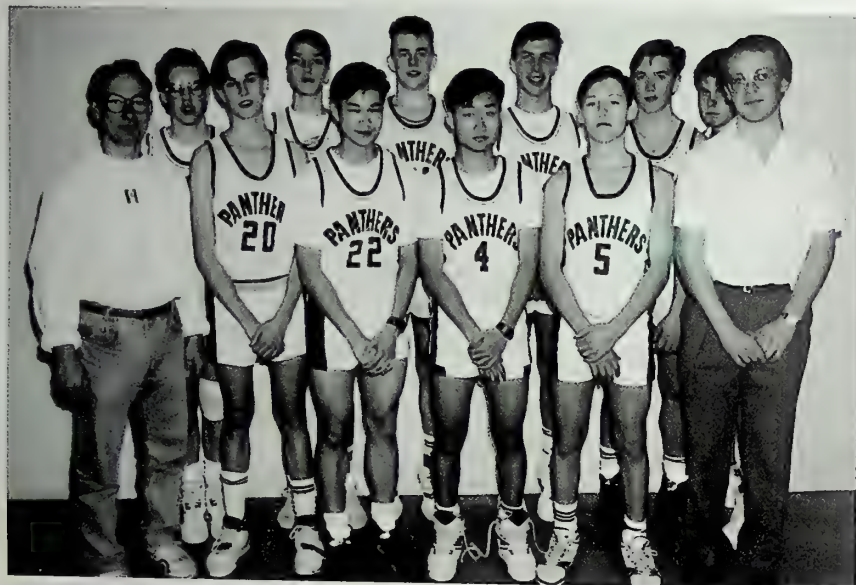

JUNIOR GIRLS

Back Row: (l to r) Coach Sheryl Ferry, Manager Alice Pajo, Meredith Bowerman-Davis, Angela Parris, Jill Gingell, Dawn La Branche, Anthea Eichmann, Farrah Gilchrist, Shauna Harris
Front Row: (l to r) Darcey Spalj, Jessica Curtis, Karen Stewart, Dawn Oram, Lisa McLeod

BASKETBALL

TEAM MARADYN

Back row: (l to r) Mike Lehman, Pete Korn, Todd Vollman, Geoff Molyneux, Darren Olsen, George Duffy
Front Row: (l to r) Mr. Maradyn, Jason Gerke, Peter Mah, Andrew Chiu, Aron Alberda, Mr. Chimera

Mr. Maradyn's junior boys basketball team competed successfully in regular season play, as well as competing in two tournaments. Congratulations gentlemen, you did a fine job representing J. Percy Page.

TEAM JENSEN

In the sixteen team league, Mr. Jensen's junior boys team finished seventh; a fine performance considering the strength of the league. The team was involved in a number of tournaments, including the prestigious Vic Redmen Tournament. Although the boys did not win any of their tournaments, they did make it to the finals in several. Congratulations to the Junior Boys on a fine season and good luck next year.

(l. to r.) Terry Baker, Jason Johnson, James Allan, Mike Prokopuk, Dac Lu, Chris Douglas, Greg Hillberg, Shawn Watson, Dan Hawke, Coach Cal Jensen.

SENIOR WOMENS

Back Row: Tracy Lehman, Merideth Bowerman-Davis, Cathy McCoy, Nicole Fieldhouse, Jodi Tomchyshyn, Lena Ly.
Front Row: Samantha Alexander, Coach Lorne Barnes.

The Senior Girls enjoyed only average success throughout most of the season. But during the time their defensive and offensive skills steadily improved. They really "got it together" in the playoffs, with an "upset" win over Stoney Plain (Memorial) H.S., playing their best game of the year. The girls lost in the City Finals to Eastglen in a close match that could have gone either way.

The season was a success, not only for the basketball played, but perhaps more importantly for the genuine team spirit exhibited and the good times enjoyed by the team.

JUNIOR GIRLS

The junior girls basketball team had a great season, this year winning the city championship as their final reward. There were eleven very special young ladies on the team who each brought a different talent and personality to form a wonderful group. The girls had many valuable experiences throughout the year and a lot of memories that will last forever. Congratulations on a super season.

Back Row: (l. to r.) Coach Patti Skolski, Shauna Harris, Angela Parris, Dawn LaBranche, Gail Dron, Alice Pajo, Andrea Scott, Cindy Pajo.
Front Row: (l. to r.) Darcey Spalj, Vien Ho, Jasmine Pajo.

BOYS RUGBY

Our early results are encouraging as our team, entered in the Junior League, starts its season. The mainly grade eleven team has a number of fine players and has several very good grade ten prospects learning the game. Doug Brachflower and Chris Smith from the Leprechaun Rugby Club

are giving the coaching help that is needed to ensure continual improvement. Plans for next year include the forming of a strong Section team as well as a Junior team. All players, from grade ten to grade twelve, will be needed to field to strong Panther rugby teams.

Back Row (l. to r.) John Woytowich, Warren Posch, Cory Chisholm, Chris Schroder, Eric Neff, Travis Moorehead, Chris Safruk, Darren Olsen. Front Row (l. to r.) Our season is just beginning, and it is already apparent that the boys are improving their skills and looking forward to an en-

joyable, productive season. The coaches are very pleased with the progress shown.

Support for the badminton team was quite high. Over forty students tried out for the eight member team. After being selected to the team the players competed individually and as a team in various tournaments throughout the

city. The Page Badminton Team had an extremely successful year. We finished in a tie for second place at the end of the regular season, but failed to make playoffs due to our win/loss record. Tracey Lehman finished second in Edmonton in junior girl's singles.

GIRLS HANDBALL

Front Row: (L. to R.) Jennifer Livermore, Jim Stewart, Mike Hartwick, Shauna Harris.

The Golf Team had a very good year. The boys team placed sixth in the zone with a excellent showing at the Links in Spruce Grove. Our girls

team was a first time entry for Page and represented the school very well. We look for continued improvement next year as all team members will be returning for grades 11 & 12.

The Cheerleaders had a lot of fun this year. We were a great first year team with two major competitions. We tied for third in the Edmonton City finals at St. Joseph's and won secon in the Canadian National Championships held at West Edmonton Mall. The J. Percy Page Stunt Duo Team, Jodi Pawluk and Julie Sillito won first in the Canadian Championships. Cheerleading is a great sport that demands commitment and fitness, yet gives the feeling of friendship, togetherness and lots of excitement. We hope to have two squads next year and expect to travel to the United States as we as in Canada. A special thanks to Welsyn Mather, our Advisor, and Barry Werkman, our coach, for their time, patience and friendship.

Page's swim team had a super season, winning the SMALL TEAM CITY CHAMPIONSHIP at the Kinsmen Aquatic Centre. The swimmers finished with a combined total of 920, which was enough to place sixth overall. The team was coached by Brian Polak, Trevor Nyroos and a former Page swimmer Tim Antoniuk. Congratulations also to Mr. Don McEachern, who was the team's staff sponsor. The swim team has experienced a tremendous growth over the last two seasons.

EDITOR'S MESSAGE

The yearbook staff of 1990/91 started out with no previous experience. Although there were many disagreements on the book that was to be made, we somehow managed to solve them, and some worked hard to finish the yearbook as others dropped out at the last minute. There is much disappointment in members who had committed themselves as part of this year's book, and then never pulled through for the rest of us. As the editor, I am thankful to

have had the opportunity to help create an ever-lasting memory. As we all move on to "BIGGER AND BETTER" things in the future I hope that "PORTFOLIO 1991" and the memories it holds will always remain a part of our lives.

Colleen Stewart
Editor

BEST OF LUCK TO NEXT YEARS STAFF, HOPE YOU HAVE A GREAT YEAR.

Front Row: (L. to R.) Mr. Long (Advisor), David Cheung.

This year the Grad Council held many fundraisers which included organizing the Welcoming Dance, sucker sales, a New Year's bottle drive, T-Shirt sales, Molly Maid & Butler Bill Days, a Spring Break Daycamp for children, and a money Doll Raffle. These fundraisers were successful not only because they raised money for Grad, but also because they helped bring the graduating class closer together.

The Grad Council met once a week throughout the entire year, and spent a lot of time organizing the events leading up to graduation. It took a great deal of dedication and hard work for the council to make the Commencement ceremonies and Banquet such a success.

Grad Council would like to thank all students and staff who participated in the events throughout the year; graduation would not have been possible without you.

The past year has been filled with exciting events. Most of these events have been planned by your Students' Union, from Welcome Week to the Lip Sync. The Executive has worked hard throughout the year to be your representatives and make the 1990/91 school year most enjoyable. I personally would like to thank them for all of their support, enthusiasm, and effort throughout the past year. Your work is greatly appreciated. On behalf of the executive I would like to thank everyone who helped

out. Thanks to the room reps. who came out to our famous "General Meetings" (PIZZA, RIGHT!) You spent many hours working to make the S. U. activities a great success. Without you there is no Students' Union. Thanks to the student body for bearing with us, and to the teachers and staff. Thanks for all your support, no matter how many classes your students missed. We really appreciate your enthusiasm and support. Finally, thank you Ms. Broad. Thanks for your support and help you gave us. You praised us and inspired

us in our times of need, and there were many! This has been a wonderful year, and I wish the future Students' Unions all the best. We have learned alot, I hope you will use of effective listening and communication skills. A major purpose of peer support is to increase the number of people in a school who are skilled in

The 1991 school year has been extremely successfull for SOL members. Some of these successes include introducing the "blue boxes" to the recycling program, petitioning our government on its war involvement, rebuking foreign governments on human rights abuses, raising a school record total for the 30 hour famine, introducing a juice pack recycling program to the school, and petitioning Wood Buffalo Park regarding its termination of tuberculose-infected bison. The year also saw some supporters of life members attending conferences on the environment throughout Alberta and British Columbia. SOL also helped bring

in and organize a visit by environmentalist Jeff Gibbs, and also donated \$1140 to aid the Kurdish refugees, with the help of the student union and a money drive. 1991 proved to be productive and fun. Next year the face of S.O.L. will change as the grade 12 members move on to University and other pursuits, however, next year will also many new faces and new leaders. S.O.L. is an area for all students to voice their concerns and act on them. Everyone is encouraged to join S.O.L. next year and welcome to bring all ideas and concerns! Thank-you for your continued support and we'll look for smiling faces next year.

PEER SUPPORT TEAM

Peer Support is based on the well-documented fact that students most often seek out other students for help when they are experiencing some frustration, concern, worry, or problem. Peer Support Team Members are students who attempt to assist others by making use of effective listening and communication skills. A major purpose of peer support is to increase the number of people in a school who are skilled in

helping others, thereby enabling informal and spontaneous assistance to be available. While peer support team members may have office hours or make appointments just as in traditional counselling, the main focus is on their existence within their peer groups where they are most likely to be helpful through informal discussions throughout the school.

The Page Players consist of twelve talented drama students who delighted audiences of all ages throughout the 1991 school year. These aspiring young dramatists clowned their way into the hearts of elementary students, entertained at a conference sponsored by

Canada Employment and Immigration and created a variety of enthusiastic activities for Page students to enjoy or even participate in themselves.

Encore '91, the One Act Festival held at J. Percy Page which featured six plays, three of which were written by Drama 30 stu-

dents: "The Insiders", "A Different World", "Dolls", "I Bring You Flowers", "Come and Go", and "The Inner Circle". "A Different World", and "I Bring You Flowers" were selected by the adjudicators to represent Page at Drama Fest '91.

GREASE

The music students have had a very eventful year. Along with the usual school performances, the Concert Band and Concert Choir were invited Disneyland performers this March. This week long trip included much sight seeing as well as performances and workshops at the Disney Magic Music Days. The excitement continued upon our return to Edmonton when we had the unique

experience of performing with the New Orleans Cajun band (a professional Cajun band ensemble with internationally known clarinetist George Pallos, Haden and Pianist Tommy Banks) during our Spring Concert in May. Silver and Bronze Awards at the Musicfest competitions and Distinction Honors at the Kiwanis Festival have rounded out a very busy and rewarding year.

CAMPUS LIFE

Our goals are to let people know what we believe in: Two-thousand years ago, God put his son, Jesus on Earth for the express purpose of telling the people back then about salvation. Then, according to God's plan, Jesus was crucified on the cross and took upon himself the sins of the world, past, present and future, giving the Forgiveness and Redemption. In these days, he rose from the dead to prove that death has no hold, and showing that Eternal-Life was available for all who asked, and that the rest of the world is going down when he returns once more, but that is another story. Our club participates in

many fun activities like the AWSOME trips to California (Disneyland, Knott's Berry Farm, Shopping; Tijuana, Mexico; tanning on the beach, ETC...). Mountain climbing and rappelling; skiing; parties(yes, we are human to) Bar-B-Que's and other weekend retreats. We also have our weekly meetings where we discuss pertinent issues about living into today's society and discovering the meaning of life.

Through the whole year, every single person has had a BLAST!! Have a great year and congratulations from all of us in Campus Life. See you next year.

DEBATE

Simron Singh, Jeju Varghese, Anu Sharma, Mrs. Robbins, Kirby Burkholder

Congratulations to Mrs. Robbins and the J. Percy Page Debating Team! Our teams came in second and third in the Regional Debates at Archbishop MacDonald in March. The second place team consisted of Anu Sharma and Kirby Burkholder, and the third place team was made up of Simron Singh and Jeju Varghese. These two teams went on to place 1st in Edmonton and 5th in the province at the Provincial Debating Competition in Calgary. This competi-

tion involved top high schools from Calgary and Edmonton as well as many other school districts in the province.

We extend congratulations to all the members who participated in the debates this year, making our first year in debating a great success. These members include: Brad Ball, Anna Bodie, John Bors, Trevor Poapst, Emmanuel Zervakis, Lisa Hazzard, Chris Falkingham, Anu Sharma, Kirby Burkholder, Simron Singh, and Jeju Varghese.

TOASTMASTERS

The first exciting Speechcrafters Program of Toastmasters was initiated at J. Percy Page this Spring 1991. The students articulated well and learned public speaking skills they can use for the rest of their lives. The classes were held in the evenings on the student's own time and everyone en-

joyed the cause for which they received certificates. Mrs. Evans coordinated the cause and staff supervisors were Ms. Broad and Mrs. Evans. The Toastmasters who conducted the course were Mr. Doug Meadahl and Ash Trili. Thanks for a job well done.
